## GA Logistics Quality Policy

GA Logistics LTD Team is committed to providing world-class logistics solution to our customers with compliance to regulations that fully satisfies their requirements, and making continuous improvements thereby delighting them.

We will promote creative and challenging mind and active participation among our management and staff so that we all can excel in whatever we do.

Quality improvement is the job of every employee of **GA Logistics Ltd.**

We will strive to meet all requirements of ISO 9001:2015 and to continue improving and grow with the help of the Quality Management System.

- A) Identify any risks and opportunities that could affect the effectiveness of the quality management system;
- B) Satisfy all requirements applicable to logistic works including statutory of regulatory.
- C) Continually improve the QMS.
